DANIEL HEDRICK

BASEBALL OPERATIONS • PLAYER EVALUATION • RESEARCH

Windsor, CT | 860-471-6568 | hedrickam@gmail.com | dhedrick9.github.io

Baseball operations candidate and Stetson University graduate with SABR Level One analytics certification and an independent portfolio of player evaluations, roster-construction research, and acquisition strategy. Combines statistical interpretation, written recommendations, sports reporting, and event operations experience. Willing to relocate.

CERTIFICATION & EDUCATION

SABR Analytics Certification — Level One: Conversational Analytics and Critical Thinking in Baseball | Completed October 13, 2026

Stetson University — B.A., Communications and Media Studies; Minor, Sports Business | August 2026

SELECTED BASEBALL RESEARCH AND PORTFOLIO

Independent Baseball Research | dhedrick9.github.io | 2026

- Produced comparative position-player and pitcher acquisition evaluations using wRC+, wOBA/xwOBA, BABIP, DRS/OAA, FIP, xFIP, SIERA, and age-related performance trends.
- Developed a seven-part Toronto Blue Jays offseason strategy assessing roster construction, positional needs, player performance, payroll, and acquisition alternatives.
- Researched Pittsburgh Pirates organizational players and presented scouting-oriented assessments of potential contributors.

PROFESSIONAL EXPERIENCE

Intern Writer | West Volusia Beacon | DeLand, FL | Summer 2026

- Completed a 140-hour reporting internship, researching stories, interviewing sources, and preparing accurate copy with editorial staff.

Freelance Sports Writer | FanSided / Thunderous Intentions | 2023–Present

- Research statistics and trends to produce written NBA analysis under publication deadlines.

NCAA Management Staff Intern | Omni La Costa Resort & Spa | May 2024

- Supported NCAA Men’s and Women’s Golf Championships logistics, venue preparation, and broadcast-related operational requirements alongside tournament personnel.

Front Desk Receptionist | Lynn Business Center, Stetson University | Aug. 2024–May 2025

- Coordinated equipment, facility access, logistics, and administrative records for students, staff, and visitors.
